

# Clues

1. Begin your journey along the Great north walk (262 Quarter Sessions rd Westleigh)
2. Follow the fence of fronds to get to the tadpole pond
3. Carefully cross the crevice and moss
4. Walk down the large boulder which has triplet tree trunks growing out of its shoulder
5. Scramble down the rocky path that is found
6. Once the fork in the path is in your sight - choose the path that goes to the right
7. Ignore the other paths beyond, and follow the signs to the fish ponds
8. When you spot a large boulder, you are getting close to becoming the treasure holder!
9. Spy the small cave - under its honeycomb roof lies the treasure to save
10. X marks the spot! The treasure is at this lot!
